

SIDE HUSTLES DONE RIGHT!

**THE STEP-BY-STEP BLUEPRINT
TO STARTING A PROFITABLE SIDE HUSTLE**

If you want to have a profitable side hustle, then you need to know how to get started the right way. After all, not all side hustles are created equal. Some can fast-track your way to a few thousand dollars each month, while some can take a bit longer. Check out the resources listed in this resource cheat sheet and take a quick shortcut to side hustle success!

Courses

Side Hustle Business Startup

<https://www.udemy.com/side-hustle-business-startup>

If you're looking to eventually quit your job and replace it with a profitable and sustainable side hustle or startup, then check out this course. You'll learn how to have the right mindset to start a side hustle, discover how to market yourself and scale your business so you can finally become your own boss!

Side Hustle Money Management

<https://www.udemy.com/side-hustle-money-management>

Having your own side hustle means having your own business. This means being in charge of all financial transactions - maintaining your accounts, tracking expenses, logging time, etc. In this course, you'll learn how to manage your money the right way. If you don't want the tax man running after you, then you need this course right now.

Digital Flipping 2.0 As A Side Hustle

<https://www.udemy.com/digital-flipping-course>

Making a few extra dollars every month sounds like a dream, right? And there are so many different side hustles you can choose from! Well, if you haven't heard of digital flipping, you can check out this course. With digital flipping, you don't need a lot of money, time or experience to start. It's one of the easiest side hustles for beginners!

Side Hustle: Develop the skills you need to succeed

<https://www.udemy.com/side-hustle>

Starting and succeeding at a side hustle is easier said than done. In fact, the sad truth is that many people fail and give up after a week or two. If you want to succeed in this business, then you need to develop the right mindset and the right skills. This course aims to do just that. So, if you need some guidance, then sign up for this course!

Books

Side Hustle: From Idea to Income in 27 Days

<https://www.amazon.com/Side-Hustle-GUILLEBEAU-CHRIS/dp/1509859055>

Is it really possible to launch a profitable side hustle in just a month, or more exactly, 27 days? Well, this is what the author, Chris Guillebeau, has written about in his step-by-step guide to launching your own business. He'll literally hold your hand while you learn the ropes of side hustling!

Side Hustle Blueprint: How to Make an Extra \$1000 per Month Without Leaving Your Day Job!

<https://www.amazon.com/Side-Hustle-Blueprint-Without-Leaving/dp/1720616728>

What are you going to do with an extra \$1000 per month? Travel? Treat your family to a nice vacation? Totally up to you! If you want to know how (without quitting your day job), then you should read this book. The author, Lise Cartwright, will show you how you can have extra moolah in as little as 30 days!

The Side Hustle Path: 10 Proven Ways to Make Money Outside of Your Day Job

<https://www.amazon.com/Side-Hustle-Path-Proven-Outside-ebook/dp/B00U867I3S>

If you were to search the Internet for side hustle ideas, you're going to come up with hundreds of ideas. If you only need to know 10 of the very best, or at least those proven to generate a healthy side income, then check out Nick Loper's book. He'll spell out how to make easy money on the side for you!

<https://www.amazon.com/SideHustle-Millionaire-business-creates-financial/dp/1982934638>

Many people want to have financial freedom. But what does it really mean? And how do you go about achieving that? Let Tony Whatley show you exactly how you can build a thriving and profitable side hustle that will help you achieve the financial freedom you've been dreaming of!

Blogs

Side Hustle Nation

<https://www.sidehustlenation.com>

If there's a well-known side hustler you should be following, it's got to be Nick Loper, Side Hustler Nation's founder. He used to work in the corporate world, but found the time to work on his side hustle at nights and during weekends. His blog showcases his journey where he documents all his failures and successes to inspire his followers.

Side Hustle Academy

<https://sidehustleacademy.com>

Side Hustle Academy is another blog you should check out regularly if you want to get even more side hustle tips and ideas. Chris Holdheide writes about different side hustles you can start today, like dropshipping, blogging, creating online courses, freelancing, and so much more!

Millennial Money

<https://millennialmoney.com>

Millennial Money tackles more than just side hustling. It aims to give its readers a more comprehensive view of personal finance and how to make their money work for them. The founder himself, Grant Sabatier, is a millennial who achieved financial freedom in just 5 years. Whether you're a millennial or not, you'll find tons of highly actionable tips on this blog!

Budgets Are Sexy

<http://www.budgetsaresexy.com>

This blog puts an interesting spin on personal finance. If you're tired of reading boring books and articles on side hustling and taking care of your finances, then you should head on over to this site. Check out their "Side Hustle Series" which has links to all their posts on side hustles.

Podcasts
